

Blu Track & STEM Monday:

March 27
3:30-5:00pm

Kids and families are encouraged to stop in, learn about, and play with the fun and engaging STEM games available for checkout at the library.

Blu Track is not your typical toy race car track! Blu is a bendable, movable, and changeable two lane race track. The system encourages imagination and experimentation by giving students the basic elements they need for racing, but letting them design the race.

Additional STEM activities will also be set up for students to play and experiment with while taking turns with the race track system. This item will be available for checkout along with the other STEM kits, after the program.

Book to Movie Trivia Night:

Thursday, March 23 at 6:00pm

Register teams (3-6 people of any age) for a fun night of Harry Potter trivia! Trivia questions will range through the knowledge of all books and movies.

All ages, limited seating available, call now and sign up today!

Kid Escape Rooms:

Friday, March 17
1:00, 2:30, & 4:00

Groups of 4-6 kids (8+) can sign up for an escape room. Limited sessions are available. Registration required.

An Escape Room is a physical adventure game in which players solve a series of puzzles and riddles using clues, hints and strategy to complete the objectives at hand. Players are given a set time limit to unveil the secret plot which is hidden within the room. Games are set in a variety of fictional locations.
