## Trivia Night:

Thursday, April 27 at 6:00pm

Register your team for a fun night of Pop Culture trivia! Trivia questions will range through the knowledge of both current and past events, media, and people.

All ages (Kids-Adults), limited seating available, call now and sign up!

## STEM Monday:

April 24

3:30-5:00pm

Kids and families are encouraged to stop in, learn about, and play with the fun and engaging STEM games available for checkout at the library.

### Featured STEM Item: Cubelets Robot Blocks

Just like building blocks, only smarter! Invent and re-invent countless

robot constructions with these magnetic robot blocks.

Build wonder and a life-long love of STEM through play. Cubelets are an educational toy that suits kids of all ages and skill sets.

Takes kids from Tactile Coding, to software manipulation with the Cubelets app, all the way to programming their own Cubelets personalities.

Cubelets robot blocks are the ideal way to explore robotics, coding, design, engineering, and more.

Additional STEM activities will also be set up for students to play and experiment with while taking turns with the race track system. This item will be available for checkout along with the other STEM kits, after the program.
