Something NEW has joined the multiple programs at Sumner Public Library. We have a monthly teen night centered around fun and maybe a little bit of learning.

Teens 7th through 12th grade are encouraged to stop in. They can bring a game to share if they want. From 5:30-7:00pm and of course there will be snacks and beverages!

Interactive Movie Night:

Friday, October 13 at 9:00pm

Let's do the time warp again and watch a late night picture show!

Halloween season isn't complete without viewing the 1975 classic of Rocky Horror Picture Show.

An interactive movie experience is where audiences react, repeat, and respond to the film. Audience members are given instructional scripts and props and the fun begins!

This is a FREE event and geared toward mature audiences. Parent permission is recommended.
Rated R.
