## A Library of Books and Things

Libraries today contain more than just books. We are *Libraries of Things*...Books on how-to and the Things needed to complete the projects.

We currently have cake pans, mint molds, and stencils available, but want to expand our collection of *Things* so you may check out and try your hand at a new skill or craft.

If you find yourself with odds and ends of crafting items and supplies that you don't know what to do with please consider donating your gently used/like new crafting supplies & equipment to the Library.

We are hoping to add books and equipment on Quilling, Pyrography (wood burning), Bow Making, Soap Making, Cake Decorating, and Flip Video Recorders.

The supply kits would contain the equipment but not the perishable supplies needed such as paper, glue, ribbon, etc.

## Mother's Day Tea Party:

**Saturday, May 11 at 11:00AM.**

Sign-up to join us in a celebration of Mom! Come enjoy tea and lemonade along with some sweet and savory snacks. Registration is required as seating is limited to 22 for this event. Please contact the library to reserve your spots.

## Flower Pot Decorating:

**Saturday, May 4 at 10:00AM.**

The library will provide flower pots, paint and mosaic tiles, so you can decorate your pot in your own way.

Class size is limited, so registration is mandatory. Sign-up now to decorate your very own flower pot, just in time for Mother's Day!

## Adulting 101—Purchasing Your First Home:

**5:30-6:30PM on Thursday, May 16.**

All are welcome to come and learn how YOU can purchase your own home! Our expert, Connie Rochford (Town & Country Real Estate), will explain the process, sharing what you need to know and what to look forward to. Come and relax with a cookie and a cup of coffee in this hour long class.

## Monthly Craft— Small Fairy Garden:

**May 2nd at 5:30PM and  
May 6th at 12:30PM.**

This month we will be using charger plates, assorted floral supplies, and resin fairy garden pieces to create small fairy gardens.

\*The fairy garden pieces will be pre-sorted into groups which will vary from person to person.

Pre-registration with a \$5.00 registration fee is required as class size is limited. As we will be using hot glue, the program is for ages 10+.

## SUMMER READING PROGRAM 2019:

Program dates are:

**June 12, 19, 26 & July 10, 17, 24 & 31.**

Registration packets will be sent home with Durant students this month and additional registration sheets can be picked up at the library. Sophia is excited for her third summer library program and what a great summer it will be!

This summer's theme, "A Universe of Stories," explores all kinds of topics from outer space to the space around us and more. The programs are free and open to children of all abilities. Please stop in or call and talk to Sophia, if you have any questions.
