Help Create a Logo for the Sumner Public Library!

The Sumner Public Library Board wants your help creating a logo for the Library. There are many talented people of all ages in Sumner and we are looking for ideas and suggestions. The final logo may be one of the submitted ideas or a combination of ideas.

Acknowledgement of creative contribution will be made for the idea/ideas used in the final logo.

For more information and submission of logo ideas call 563-578-3324; email library@sumner.lib.ia.us; or message www.facebook.com/Sumner.Public.Library.

Monthly Craft:

Burlap Ribbon Roses:

July 11 @ 5:30PM & July 15 @ 12:30PM

In July, learn how to make burlap ribbon roses using a technique that can be used with different ribbon types and sizes. The roses can be used as accents and additions to many other crafts. There is no deposit for this program. Ages 8+

Mosaic Letters:

August 1 @ 5:30PM & August 5 @ 12:30PM

This craft uses a wooden letter, black silicone, and various mosaic tiles, buttons, beads, keys, etc., to create a decorative piece that can be placed on a shelf, mantel, or even hung on a fence or garage wall. Participants may bring their own buttons, charms, or jewelry pieces to use. Participants may pick one letter at registration. Spots are limited, so registration is required. A \$5.00 deposit is required per person and can be cash or check (payable to Sumner Public Library Foundation). Ages 10+

Kid's Corner! Summer Reading Program 2019:

Blank Park Zoo will be visiting the library at 11:00AM on Thursday, July 11! They will be bringing some animal friends to show the kids and teach them about their lives and habitats.

On Thursday, July 25 at 5:30PM, the Grout Museum will be visiting with their "Space Explorers" Workshop. Discover what it's like to be an astronaut in this hands-on workshop! Participants will get the chance to experience multiple activities designed to sharpen critical thinking skills and encourage teamwork. Use a robotic arm to move objects like a rover, launch a rocket, build a space lander, and more!

Both programs are recommended for all ages!
